🌐 [Nafiur Rahman Sabbir](#)   🌐 [nafiurrahmansabbir](#)

## Professional Summary

Software Engineer with hands-on experience building scalable mobile applications using Flutter, Firebase, Supabase, and REST APIs. Successfully delivered multiple Android and iOS applications, including a published app on the Google Play Store. Skilled in clean architecture, responsive UI/UX design, state management with GetX, and collaborating within Agile Scrum teams to develop high-quality, maintainable solutions.

## Skills

**Languages** — Dart, Python, Java, C/C++ • **Frameworks & Backend** — Flutter, Firebase, Supabase, REST APIs • **State Management & Database** — GetX, MySQL • **Tools & Integration** — Git, Postman, Google Maps API, Push Notifications (FCM), TensorFlow.

## Experience

[Omegasoft BD](#) 🌐, Flutter Developer (Intern)

Apr 2025 – Aug 2025

Agargaon, Dhaka, Bangladesh

Developed and enhanced Flutter UI modules for a Sales & Distribution ERP system using Material Design principles. Implemented authentication, invoice management, party management, credit limit control, and cash collection features. Integrated REST APIs and managed state using GetX while collaborating in an Agile Scrum team to deliver scalable business solutions.

### Consulting as a Developer

Feb 2024 – Present

Built scalable Flutter applications integrating Firebase, Supabase, and REST APIs. Designed responsive UI/UX, implemented real-time features including authentication and push notifications, and delivered production-ready applications such as MeetDoc, Finqube, Sales Pilot, Craftybay, Weatherly, and Socialive.

## Projects

[Medical Help Rajbar](#) 🌐, (Published: Play Store | January, 2026)

Developed a healthcare mobile application providing emergency calling, doctor appointment support, nursing and physiotherapy services, ambulance assistance, and medical product information. Implemented one-tap call and WhatsApp support features to ensure quick and accessible healthcare services for users.

## Education

**B.Sc in Computer Science and Engineering,**

Jan 2022 – Dec 2025 | Dhaka

Daffodil International University

CGPA - 3.31 out of 4 || Graduation Year: 2025

## Certificates

[App Development with Flutter – OSTAD \(7 months\)](#) 🌐

Learned Dart programming, responsive UI design, Firebase, and REST API integration. Built projects including an E-Commerce App, Task Manager App, CRUD App, Google Maps.
